No part of this publication may be reproduced or transmitted in any form or by any means, electronic or mechanical, including photocopy, recording, or any information storage and retrieval system, without permission in writing from the copyright owner.

The appearance of the code at the bottom of the first page of an article in this journal indicates the copyright owner's consent that copies of the article may be made for personal or internal use, or for the personal or internal use of specific clients. This consent is given on the condition, however, that the copier pay the stated per copy fee through the Copyright Clearance Center, Inc. (27 Congress Street, Salem, Massachusetts 01970), for copying beyond that permitted by Sections 107 or 108 of the U.S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Copy fees for pre-1993 articles are as shown on the article title pages; if no fee code appears on the title page, the copy fee is the same as for current articles.

AUTHOR INDEX FOR VOLUME 34 432

INFORMATION FOR AUTHORS

The *Journal of Urban Economics* provides a focal point for the publication of research papers in the idly expanding field of urban economics. It publishes papers of great scholarly merit on a wide range topics and employing a wide range of approaches to urban economics. The *Journal* welcomes papers t are theoretical or empirical, positive or normative. Although the *Journal* is not intended to be ltidisciplinary, papers by noneconomists are welcome if they are of interest to economists. Brief tes are also published if they lie within the purview of the *Journal* and if they contain new ormation, comment on published work, or new theoretical suggestions.

Manuscripts should be prepared according to the following style rules (deviation from these rules ises publication delays).

All manuscripts should be submitted in triplicate to:

Professor Jan K. Brueckner
Editor, *Journal of Urban Economics*
Department of Economics
University of Illinois
1206 South Sixth Street
Champaign, Illinois 61820
Telephone: (217) 333-4557

Original papers only will be considered. Manuscripts are accepted for review with the understanding t the same work has not been and will not be nor is presently submitted elsewhere, and that its mission for publication has been approved by all of the authors and by the institution where the rk was carried out; further, that any person cited as a source of personal communications has proved such citation. Written authorization may be required at the Editor's discretion. Articles and y other material published in the *Journal of Urban Economics* represent the opinions of the author(s) d should not be construed to reflect the opinions of the Editor(s) and the Publisher.

Authors submitting a manuscript do so on the understanding that if it is accepted for publication, pyright in the article, including the right to reproduce the article in all forms and media, shall be signed exclusively to the Publisher. The Publisher will not refuse any reasonable request by the thor for permission to reproduce any of his or her contributions to the journal.

Form of Manuscript. Submit manuscripts in triplicate, double-spaced on one side of 8.5 × 11-in. ite paper. All pages must be numbered. *Page 1* should contain the article title, author(s) name(s) and mplete affiliation(s), a proposed running head (abbreviated form of title) of less than 35 characters luding letters and spaces, and the name and complete mailing address of the person to whom all rrespondence should be addressed.

Symbols. Attach to the manuscript a complete list of symbols used in the paper, identified typographily, not mathematically. If equations are handwritten in the text, the symbols list should also be ndwritten. Distinguish between "oh" and "zero," "ell" and "one," etc. Also indicate special type, ., vector, script, etc.; all other letters will be italic.

Tables. Number all tables consecutively with Arabic numerals. Tables should be typed double-spaced a separate page. All tables should have titles. Footnotes to tables should be lowercase, superscript, lic letters, ^{a,b} etc. and should appear double-spaced immediately below the table.

Footnotes. Use of footnotes is discouraged. If they must be used, footnotes should be numbered nsecutively with superscript Arabic numerals starting with the article title. They should be typed on a parate page, double-spaced.

Equations should be typewritten with the equation number placed parenthetically in the right margin. mathematics should be typed or printed as clearly as possible.

Figures. All illustrations are to be considered as figures and numbered consecutively with Arabic merals. Type figure legends double-spaced on a separate page. Plan figures to fit the proportions of printed page (approximately 5 × 7- or 8 × 10-in. originals); all artwork must be submitted in form table for reproduction. Use a professional lettering set; lettering should be large and clear enough to legible after a reduction of 50–60%. Characters should be approximately 0.32–0.44 cm high (Leroy ttering Sizes 150–175). Illustrations in color can be accepted only if the authors defray the cost.

References. All references should be cited by Arabic numerals in brackets, e.g., [1], [2], etc. Journal es should be spelled out in full. References should be typed *double-spaced*. Note the following erence styles:

1. G. K. Turnbull, A comparative dynamic analysis of zoning in a growing city, *Journal of Urban Economics*, **29**, 235–248 (1991).
2. G. Peterson and T. Mueller, Regional impact of federal tax and spending policies, *in* "Alternatives to Confrontation" (E. Arnold, Ed.), Heath, Lexington, MA (1980).
3. D. Feenberg and E. S. Mills, "Measuring the Benefits of Water Pollution Abatement," Academic Press, New York (1980).

For general style, authors should refer to *A Manual for Authors*, 1980, published by the American thematical Society.

Proofs. Proofs will be sent to the author, with a reprint order form. Authors will be ch alterations in excess of 10% of the cost of composition.

Reprints. Fifty reprints without covers will be provided free of charge. Additional reprint purchased; an order form will be included with the proofs.

Personal Computer Disks. Manuscripts may be submitted to *Journal of Urban Economics* on computer disks after the manuscript has been accepted and after all revisions have been inc onto the disk. Label the disk with the type of computer used, the type of software and th number, and the disk format. All tabular material will be typeset conventionally. Art must be as camera-ready copy; see the section on Figures earlier in this Information for Authors.

A hard copy printout of the manuscript that exactly matches the disk file must be supplied. Press will not accept disks without accompanying printouts of all files on the disk. File na clearly indicate the content of each file. The manuscript will be edited according to the sty journal, and the proofs must be read carefully by the author. Disks that are not transl economical to process will not be used. The publisher reserves the right not to use the disk.

For further information on preparing disks for typesetting conversion, please contact the p (Editorial Supervisor, Journal Division, Academic Press, Inc., 525 B Street, Suite 1900, Sa California 92101-4495; telephone: (619) 699-6415; fax: (619) 699-6800).
